MEMORANDUM FOR THE ASSISTANT DIRECTOR FOR SPECIAL OPERATIONS

Subject: Training in Photography

1. The question of TRD's responsibility for photography training was discussed with Messrs. [redacted] and a representative of the Management Office on 22 December 1949. The subject was re-examined on the request of Chief OAD, who had indicated to the group during a study of his T/O that he believed photography as presently taught in TRD should be transferred to OAD.

2. The understanding was reached that the purpose of TRD's photography course is to teach the limitations and capabilities of field photography [redacted] of photography. For that purpose it is believed that the present photography course in TRD is properly placed. It was further agreed that the training for photographic technicians should continue to rest in OAD.
